I have read and agree to the school tuition policies. I understand that I must pay tuition for four (4) weeks following written notification regardless of whether or not my child attends. If the school finds it necessary to have my child withdraw for any reason, I am not responsible for any tuition beyond the day of withdrawal. The school may request withdrawal of my child if they determine that the program is an unsuitable match for my child. I understand that some months will have more school days than others; but the fee remains the same.

The undersigned agree that they are both jointly and separately responsible for tuition.
